Southeastern Surveying and Mapping Corporation (SSMC)

YOUR SINGLE STOP SURVEY SHOP

Founded in 1972, SSMC is Florida's largest 100% employee owned professional surveying and mapping firm. We have ten offices throughout the Southeast to serve all your geomatics services needs.

Our staff of over 289 personnel includes more than 19 licensed Professional Surveyors and Mappers, one Professional Engineer and over 54 nationally recognized Certified Survey Technicians, 3 Certified GIS Professionals and 24 licensed UAV pilots, and numerous highly experienced surveyors, computer-aided design specialists and GIS technicians.

Why Choose SSMC?

SSMC is a leading professional services company in the Southeast, specializing in surveying, mapping, subsurface utility engineering (SUE), and geographic information systems (GIS). We add value to A/E/C projects and partner with Engineering News Record's Top 500 companies to provide a competitive edge through our advanced services and technologies.

As one of the largest surveying and mapping firms in the Southeast, SSMC accelerates schedules while enhancing quality and profitability.
