Southeastern Surveying and Mapping Corporation (SSMC)

YOUR SINGLE STOP SURVEY SHOP

Water Parks & Aquatic Facilities Experience

Southeastern Surveying & Mapping Corp. (SSMC) provides professional surveying and construction support services for water parks, resort lagoons, and themed aquatic facilities. Our team understands the fast-paced, safety-driven, and precision-critical nature of water park development from early site work through construction and final certification.

Why SSMC

- **Experience with active theme parks**
- **Familiar with tight tolerances & specialty structures**
- **Trusted by major resort and entertainment brands**
- **Proven coordination with ride manufacturers and specialty contractors**

Core services

- **Construction Layout & As-Builts**
- **Boundary & Topographic Surveys**
- **Control Networks & Vertical Control**
- **Utility Coordination & SUE Support**
- **Construction Staking for Complex Attractions**
- **Coordination with Designers, Ride Manufacturers & Contractors**
